Application*

Select one of
the 3 options

Option 1:

☐ APPLICATION FOR PERMANENT VOTE BY MAIL STATUS **with** party designation. All primary elections require the voter to select a party designation. If you want to receive a vote by mail ballot for ALL elections (including primary elections), **you MUST select a party choice.**

I am currently a registered voter and wish to apply for permanent vote by mail status. I wish to vote by vote by mail ballot in all subsequent elections, and I wish to receive a vote by mail ballot for the following Party:

Select only **one** party: ☐ Democratic ☐ Republican

Please Note:

- In Primary elections, each party runs on separate ballots. There is no way to vote for candidates from multiple parties in Primary elections; selecting more than one party on this form makes voids the form.

Option 2:

6 ☐ APPLICATION FOR PERMANENT VOTE BY MAIL STATUS **without** party designation. By selecting this option, you are choosing to have a vote by mail ballot automatically sent to you for General and Consolidated elections but NOT Primary elections. If you decide to vote in the Primary election, you can vote by mail by requesting a vote by mail ballot each Primary election, or you can vote in person. I am currently a registered voter and wish to apply for permanent vote by mail status. I wish to vote by vote by mail ballot in all subsequent elections that do not require a party designation.

Option 3:

☐ APPLICATION FOR SINGLE ELECTION VOTE BY MAIL BALLOT This option will provide you with a vote by mail ballot for the upcoming election ONLY. You would need to request a vote by mail ballot for further elections or apply to the permanent list to automatically receive them. If the upcoming election is a Primary election, you must select party designation

Select only **one** party: ☐ Democratic ☐ Republican

Please Note:

- In Primary elections, each party runs on separate ballots. There is no way to vote for candidates from multiple parties in Primary elections; selecting more than one party on this form makes voids the form.
